Jus' Ramblin'

BY LUCILE K. WOODHAM McRAE

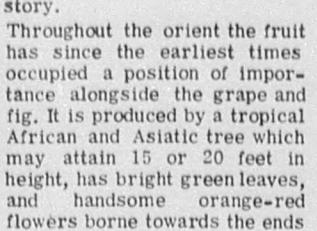

Interested in Florida and Elba, I have enjoyed the gathering of the crops, especially peanuts. I get vexed about the cotton pickers leaving what looks like more of the cotton on the ground than was picked. Recently farmers have been busy with the peanuts and they didn't stop for Sunday, either. It was time for those peanuts to come up, to be picked and the hay baled and it had to be done regardless of the day so Sunday was just another work day during that particular period.

Farmers joined in working together, helping each other to gather the peanut crop, to bale the hay and topick the peanuts and taking to the markets. When a field was completed the group moved on to a neighbors' field and the group continued to work together until the job was done.

I AM VERY PROUD to know that this newspaper has the best reader interest it has ever experienced. Don't ask me why, for I don't know. I know that the subscriptions have increased every month for the past several months over the same period of last year. There is no need for me to tell you we are very happy about it for reader interest is just as important. Don't take the wheel until we learn how.

THE RAINS this week have been appreciated by all of us. Sure, I was more than happy when it began raining Monday afternoon for at that time there had not been enough rain during Sunday night to prevent me having to continue the watering of the many new plants added to the memorial garden on the searces back of my home on North Sixth Street. The azaleas were beginning to show the wear of no rain. The dogwood, though only put out in the early spring of this year, continued to look good but I knew that they needed water and had begun the job of getting water to all of them.

CLIPPER PUBLISHER RECEIVES AWARD . . . Mrs. A. T. McRae, owner and publisher of The Elba Clipper and The Florida News is shown above receiving a certificate of appreciation recently from the Florida Lions Club in appreciation of the invaluable services and cooperation the Florida newspaper had extended to the club and its activities.

Draft Questions Answered

State Selective Service Director Hugh J. Caldwell, Jr., explained that students don't have to return to their hometowns to register for the draft upon reaching the age 18 years.

"The law does require that a young man register with selective service within five days after reaching age 18, however, this in connection with the opening of the new school year at Alabama colleges and universities. Many students are under the impression that their sons must return home to register.

"This is not true. A young man may register at any board. By putting his hometown address in the proper place, he will remain under the jurisdiction of the local board where he lives. He must make certain however, that he puts the correct address on line two, of SSS Form No. 1. This always determines which board a registrant will be under."

Mrs. Oliver Williams, Mrs. Price Ringo and Mrs. Oscar Vaughan, Jr., attended the annual district VII meeting of the Federation of Garden Clubs which was held in Eufaula, Sept. 12th. They were representatives of the Azalea Garden Club.

Mrs. John Kendrick of Zion Chapel had as a guest on Sunday, Mrs. Ethel Sunday, Mr. and Mrs. James Sunday of Trinton, Florida and Rev. and Mrs. Paul Kendrick, Ronald, Russell, Lisa and Candace of Enterprise.

Margaret Loy Miller Weds Phillip J. Burkett

Miss Margaret Loy Miller and Phillip Jeffery Burkett were married September 7 at 4 p.m. in the First Methodist Church of Montgomery with the Rev. Frank R. Ledford officiating.

Parents of the couple are Mr. and Mrs. Fred Joseph Miller, Jr., of Montevallo and Mr. and Mrs. Cecil Burkett of Elba.

The bride, given in marriage by her father, wore a gown of white Peau de sole made of empire lines and trimmed in seed and clustered pearls with long pointed sleeves of chantilly lace. A circular Watteau train detailed the back and her bouffant veil of imported illusion fell from a fan-shaped crown of small seed pearls. She carried a white Bible centered with a white orchid and cascades of Stephanotis.

Nuptial music, provided by Mr. Ted Pritchett, soloist and Charles McHaffey, organist, included "The Lord's Prayer" and "Oh Promise Me."

Other attendants were Miss Carolyn Frost and Miss Elizabeth Taylor, both of Montevallo. They wore gowns of gold Peau de sole identical to the bride's.

The bride's mother entertained with a reception in the fellowship hall of the church immediately following the ceremony.

The guests were registered by Miss Cathy Barker of Montgomery.

The bride's table was over laid with a pink net cloth and pink taffeta. A pearl handle knife, a gift of the bride's father, was placed on the table.

Coast Guard Competition Opens December 7

The 32nd annual competition for admission to the United States Coast Guard Academy, located at New London, Connecticut, will commence with the December 7, 1968 administration of the College Entrance Examination Board tests given in over 3,000 test centers throughout the country.

Appointments to the Academy are tendered solely on a competitive basis with no congressional appointments or geographical quotas. Applications to participate in the December CEEB tests must be made to the Educational Testing Service prior to November 1968.

To qualify, an applicant must be unmarried and must have reached his 17th birthday by July 1, 1969. The minimum educational requirement is a high school diploma, however, high school seniors assured of graduation by June 30, 1969 are eligible to compete provided they have at least 15 credits by that time. Applicants must have completed three units in English, and three in mathematics including algebra and plane or coordinate geometry or their equivalents. Applicants must be in excellent physical condition, between 64 and 78 inches in height, with proportionate weight, and have at least 20/30 vision in each eye, correctable to 20/20.

Qualified young men are urged to enter this nationwide competition for appointments as cadets in the nation's oldest seagoing service. Those appointed will receive an excellent college education which emphasizes engineering, physical science, social science, or marine science - oceanography and leads to a Bachelor of Science degree and a commission as an Ensign in the Coast Guard.

Additional information and application forms can be obtained from high school guidance counselors or by writing to the Director of Admissions, U.S. Coast Guard Academy, New London, Connecticut, 06320.

port further stated that all
levels of education would
be making vital contribu-
tions to the county and the
state. He also spoke of the
potential of agricul-
ture in Alabama and
particularly in this area
for growing a variety of
crops and livestock.

QUARTER HORSES
Herbert W. Trail of Rt.
One, New Brockton, is de-
veloping a good herd of
registered quarter horses.
In fact, he has some 15
head at the present time
and he and his wife and two
daughters are intensely in-
terested in quarter horses.
Trail, who is a retired
army officer, is also plan-
ning to start a beef cattle
herd. He is getting his
grazing and pastures in
shape now and it is always
a pleasure to visit with
Trail.

PIRE CONTROL
Gordon Drewery, Coffee
County's forest ranger,
never misses an oppor-
tunity to put a slug in
for fire control. Talking
with Drewery the other day,
he said that folks need to
take advantage of fire lane
constructions especially
where ASCS funds are a-
vailable. Drewery said the
fire lanes ought to be at
least 12 feet wide and ad-
jacent to roadways and
other areas which provide
maximum protection.
Drewery said in planting
pines this fall folks might
want to leave out a row of
pines to have a lane for
fire control. It might be
good to go ahead and plow
fire lanes out now before
it gets dry later on.

DOVE HUNTING SEASON
OPENS SEPTEMBER 23

Conservation Director
Joe W. Graham announced
that the dove hunting sea-
son in Alabama will begin
at noon on Monday, Sept.
23, and will run through
Jan. 9.

The first part of the
season will run from Septem-
ber 23 through Nov. 11,
and the second part will
run from Dec. 21 through
Jan. 9.
The bag limit on dove
will be 12 a day and 12 in
possession.
Game and Fish Division
Chief Charles D. Kelley
said that either a valid
'67-'68 hunting license or
a '68-'69 license will be
honored through September
30, the end of the state
fiscal year. On October 1
and after the '68-'69 li-
cense will be required.

GOVERNOR ALBERT BREWER and Richard Holmes,
Director of the State Department of Industrial Rela-
tions, study plans for a new employment service for
prison inmates now being initiated by Holmes' de-
partment. Under this project, the Employment Service
division of Holmes' department will provide job
placement services for inmates who have received
occupational training while in prison, and who are
scheduled for release or parole.

VA Reports War Orphan Payments Tax Free

The Veterans Adminis-
tration had good news for
the taxpaying parents and
guardians of an estimated
42,000 dependents going to
school under the War Or-
phans Educational Assis-
tance Act.
Payments to "war or-
phans" are now regarded
as scholarships and are not
to be counted for income
tax purposes in determin-
ing whether the dependent
received more than half
of his support from the
taxpayer.

Under the law, "war
orphans" (children of war
veterans who died or are per-
manently and totally dis-
abled as a result of mili-
tary service) are entitled
to monthly benefits of \$130
for full-time enrollment,
smaller amounts for part-
time.
According to the VA, a
recent Internal Revenue
Service ruling calling such
payments "scholarships"
reverses an earlier find-
ing. Previously these ed-
ucational allowances were

Bonnie & Clyde To Show Here

Warner Bros. - Seven
Arts' "Bonnie and Clyde"
revives the Depression-
ridden Southwest of the
1930's. It was the time when
bank-robber Clyde Barrow
and his cigar-smoking
sweetheart, Bonnie Park-
er, held sheriffs and bank-
tellers in terror and fre-
quently captured headlines
with their daring, reckless
and often pointless crimes.
The motion picture, open-
ing today at the Elba
Theater stars Warren
Beatty and Faye Dunaway
in the title roles.
Other cast members in-
clude Michael J. Pollard
as G. W. Moss, the driver
for the Barrow gang; Gene
Hackman as Clyde's broth-
er, Buck; Estelle Parsons
as Buck's wife, Blanche;
and Denver Pyle as the
sheriff who hunted down
Bonnie and Clyde in an
obscure wood in Arcadia,
La., on May 23, 1934.

COFFEE NEWS & CHAT

BULBS
Spring flowering bulbs
will be appearing in garden
centers and nurseries this
month. Gardeners are ur-
ged to shop early in order
to get the varieties they
want.
Here are some sugges-
tions for selecting good
bulbs:
1. Know types, color and
sizes and the places they
grow best.
2. Make sure bulbs are
healthy. Diseased bulbs are
moldy, discolored, and soft
or rotten.
3. Buy from a reputable
dealer who sells good
bulbs. Cheap bulbs usually
are of poor quality.
4. Buy the specific col-
ors or varieties you want.
Inexpensive packaged mix-
tures often contain several
colors that may not grow
together.

COFFEEMAKER
A new coffeemaker call-
ed the "mini-brew" can
make both a regular
quantity or a "short" pot
of coffee that taste
better.
Do you ever have baked
potatoes left over? If so,
why not freeze them. Just
recently, I was talking to
Mrs. C. E. Nevins of Kins-
ton and she told me that she
liked to plan to have baked
potatoes left over because
they did freeze nicely.
I tried the potatoes and
found them to be delicious.
I removed them from the
freezer, placed them in the
refrigerator for thawing,
and then to the oven for
baking.
Mrs. Nevins said that she
thawed her potatoes in the
oven.
